Experience perfectly fitting condoms

Every person is individual - this also applies to the best piece. That's why it goes without saying for MISTER SIZE that condoms have to fit the size of your penis. Because only if you use the perfectly fitting condom size can you enjoy completely carefree sex with pure feeling. That means without annoying pinching or the constant worry that something might slip. You'll love the difference.

Find your size with the MISTER SIZE TEST SET

The MISTER SIZE TEST SET with measuring tape and Test Package Medium helps you to find out your exact condom size. The sizes 53 mm, 57 mm and 60 mm in the TEST SET cover the most common sizes. However, if you have a different condom size, you can use the measuring tape to find out and still feel the difference in condom sizes with the Test Package Medium.

MISTER SIZE - 7 condom sizes for better sex

With a total of seven different condom sizes, MISTER SIZE helps you to enjoy relaxed and good sex. The width ranges from 47 mm to 69 mm. The quickest way to find out which one fits best is to use the MISTER SIZE TEST SET.

Tested quality

MISTER SIZE gives you a whole new feeling during sex and offers optimum safety at the same time. Because only in this way can you let go completely during lovemaking. That's why all MISTER SIZE condoms comply with the DIN standard EN ISO 4074:2002 and are subject to careful testing.
